## Your servers will be challenged all the time. ServSafe Alcohol® Training challenges them first. Save 20% on Online Training.

**For your servers, the ultimate test comes outside of the classroom. That's why ServSafe Alcohol® works best when it matters the most.** The following Montana Associations are teaming up to provide a comprehensive training program that will teach attendees how to serve and sell alcohol responsibly:

The National Restaurant Association, Montana Restaurant Association, Montana Retail Association, Montana Convenience Store Association, Gaming Industry Association of Montana, Montana Beer and Wine Distributors' Association, Montana Food Distributors Association, Montana Tavern Association, Montana Innkeepers Association

This collaborative effort is all about reducing the cost of training. To learn more about classroom or online training, contact:
