American Restoration is an American reality television series airing on the History channel. Recorded in Las Vegas, Nevada, the series chronicles the daily activities at **Rick's Restorations**, an antique restoration shop, where owner Rick Dale, his staff, wife Kelly, and family restore various vintage items to their original condition. The show is a spin-off of Las Vegas' popular series *Pawn Stars*, in which Dale has appeared 11 times as an on-camera expert and restorer.

Rick started **Rick's Restorations** in 1982. When business slowed in 2006, Rick was thinking of retiring until he met and married Kelly, who had experience in property management, real estate sales, customer service and marketing. Together with their family and the restoration crew, Rick and Kelly have taken **Rick's Restorations** from a "mom and pop" business to a multi-million dollar corporation. Now entering their 5th season of *American Restoration*, the Dales and crew are seen in over 87 countries, with an average of 3 million viewers per episode.
