Turner, Mason & Company
Lynn D. Westfall
Executive Vice President

June 20-23

2011 WOMA CONVENTION at  **SUNCADIA**
Cle Elum, WA

A Virtual Future ...

Suncadia Lodge and Resort has sort of become a home away from home for the WOMA Convention and we are pleased to share with you that it will remain our home for at least the next two years.

In 2011, we have an amazing lineup of offerings for any exhibitor from across the nation wanting to speak to our membership. I am pleased and proud to announce a new software program that will launch WOMA beyond the confines of our 5-hour trade show, and create a platform for you to interact with our members 365-days a year through our new **Virtual Trade show Software Program**. This is a must see and will be presented to our exhibitors and members at the General Business session on Wednesday morning. You don't want to miss this!

We are again offering sponsorship opportunities for those of you who would like to boost your company's visibility at the Convention. Our highest and most coveted sponsorships derive from the Convention Sponsors **Premium, Hi-Octane,** or **Regular** Sponsor levels. Each choice gives you additional registrations, extra drink tickets, complimentary golf, and more. We are continuing our special op-

portunities for those of you wanting to step it up this year and get more involved! Check out the attached sponsorship form and learn how you can support WOMA.

The 2011 Convention venue is at Suncadia Lodge and Conference Center and, like last year, limited to 44 exhibitor spaces.

We have three different kinds of booths, to fit everyone's taste and style!

- There are 33 standard sized 8'x10' booths
- There are 3 very exclusive end-cap booths which are 8'x16'
- And 8 high-traffic table top booths in very visible locations

So, whatever suits your needs, the Washington Energy and C-Store Convention has you covered!

For those companies waiting until the last minute, space may not be available. When we sell out the space, a waiting list will be established.

Exhibitors will have the opportunity to set-up on Tuesday, June 21st, beginning at **7:00 a.m.** through **8:30 p.m.**, as well as **7:00 a.m.** to **Noon** on Wednesday, June 22nd. Those who choose to participate in the annual golf tournament and horse race on Tuesday, which is always a big attraction at the Convention, will be able to do

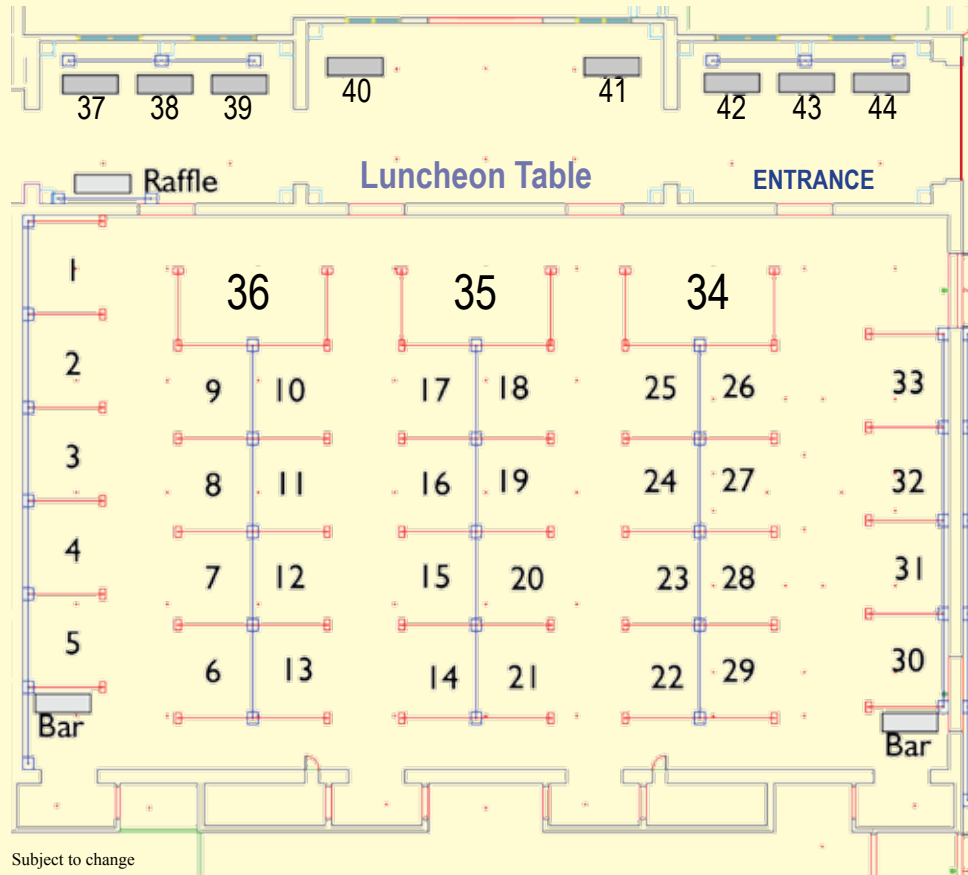

so and still have plenty of time to set up your booth space. This allows you an extra marketing opportunity while enjoying golf on the beautiful Prospector Golf Course. Don't forget to consider signing-up as a hole sponsor for a very reasonable rate of \$375!

We will continue with last year's successful formula: A one day trade show and raffle to help boost traffic on the floor. In order for a marketer to qualify for the raffle at 4:45 p.m., they must turn in a card showing they have stopped at every booth on the floor and at least made contact with you. This process has worked out well for the last five years, and we will continue with the idea and attempt to make the trade show raffle prizes as grand as ever. Raffle items are always needed, so don't hesitate to donate an item for the trade show raffle and increase your visibility for your company.

Return the attached form to reserve your booth selection as soon as possible. We have space for 44 booths as shown on attached trade show layout. We will update the booth map weekly on our convention page through WPMA.com, so check there to select your favorite spot. I look forward to seeing you all there again this year.
