

HOW HAS NMPMA BENEFITED YOU?

New Mexico Petroleum Marketers Association (NMPMA) is the only association in New Mexico that is 100% dedicated to all aspects of the petroleum marketing and convenience industry. The legislative and regulatory issues we constantly monitor include fuel and energy, alcohol and tobacco, transportation, environmental, the state budget and taxes, as well as small business and retail, including relevant rules and regulations.

DISTRIBUTION & MARKETING

- The Association works continually to preserve and protect the insurance benefits and financial viability of the Petroleum Tank Release Compensation Fund, and resisted more stringent requirements on marketers.
- Defeated a "price gouging" bill that would have exposed retailers to outrageous fines and undue prosecution.
- Successfully amended a Bio-Diesel mandate that deemed by the Weights and Measures Department to be unenforceable.
- Successfully worked with the Environment Department to suspend implementation of the final upgrade for AST's, a much needed relief for members.
- Defeated a Recycling Bill that would have a huge impact on the Retail industry.
- Defeated a bill that would have placed a \$.05 per plastic bag tax.
- Defeated a ¼ cent gross receipts tax.
- Defeated a liquor excise tax.
