

# Greetings to All ...

**With the holidays approaching,** Karen and I would like to wish you a safe and happy season for you and your families. During this season, I have a tendency to reflect back on the previous year's happenings, as well as future events. With that said I would personally like to thank Brad Bell from Washington for leading WPMA to a successful convention; it was one of the most profitable ones WPMA has ever had. I would also like to personally thank all of the WPMA Staff, WPMA board members, and the Executive Directors from all the states. Your work has been incredible. WPMA has built a great team, and I am proud to be a part of it. It was great to see all of our board members at our fall board meeting in Jackson Hole Wyoming. I hope that you had a great time despite the weather.

Karen and I really have enjoyed the time spent at each of the state conventions we attended; we truly live in a beautiful area. Thank you for sharing this with us.

I am very excited for this coming February and the **WPMAEXPO**. Our keynote speaker is Rudy Giuliani, and Karen has Noel Pikus Pace coming for the woman's luncheon. Both speakers will be excellent, as well as the breakout sessions and trade show. We look forward to seeing you there.

Again, happy holidays to all of you, be safe and we will see you in Las Vegas.

*All the Best,*

*Rick Reese*
