

June 19 - UPMRA Summer Golf at Davis Park Golf Course!

On Thursday, June 19, join UPMRA members and friends at Davis Park Golf Course in Fruit Heights, Utah, beginning at 6:45 a.m. for continental breakfast and range balls before a shotgun tee time at 7:30 a.m. You will have a chance to win \$10,000 with a hole-in-one, and more prize holes than ever!

After golf, lunch will be served in the clubhouse and prizes will be awarded. Bring your State Legislator for free! Call John Hill at (801) 521-8340 to register, or go to UPMRA's home page <http://www.wpma.com/utah>, click on Summer Golf Classic and print your registration form.

We hope to see you at Davis Park, one of Utah's most incredible blends of mountain and valley views, wildlife and scenery.

UPMRA Convention & Trade Show
- September 10-12 at the Park City Marriott

The 2014 UPMRA Convention and Trade Show begins on Wednesday evening, September 10th, with a Welcome Reception at the Park City Marriott in Park City, Utah, followed by a night of Supplier Hospitality.

At 9:00 AM on Thursday morning, **September 11**, we will be golfing at Wasatch Mountain State Park Golf Course. The Trade Show is that afternoon, with a reception on the floor, followed by dinner, live auction and guest speaker: Bill Child, former CEO of RC Willey, now a Berkshire Hathaway company.

Bill Child, Former CEO of RC Willey

"Hear first-hand the rags-to-riches story of a local farm boy from Syracuse, Utah, who unintentionally inherited an appliance store at the age of 22 and transformed it into Utah's leading furniture and appliance business."

Friday morning, we will serve a full breakfast buffet prior to the general business session featuring keynote speaker Sean Reyes, Utah's Attorney General. We plan to update the membership on Uintah Partner's blending facility being built near Fort Duchesne, Utah and Emory Refining's Green River facility. The DEQ will be there, as will Lee Peacock, Executive Director of the Utah Petroleum Association, who will speak about supply and refinery upgrades taking place in Utah.

And Federated Insurance will be with us to explore "managing employment-related risks." The meeting adjourns on Friday at noon, so attendees may enjoy an afternoon in the Wasatch Mountains, strolling down Park City's Main Street, finding bargains in the outlet mall, or simply lounging by the pool or in the spa!

Mark your calendar, invite your partners, and watch for registration information in your mail, or go to www.wpma.com/utah to register, or call the office at 801-263-9762.
