## OIL MARKETERS DAY IN OLYMPIA!

You are invited to join us in Olympia for  
***WOMA's Annual "Day on the Hill"***  
**Tuesday, February 12th.**

**WOMA's "Hill Day"** is extremely beneficial to our industry. It affords industry members the opportunity to meet face-to-face with legislators to highlight the value of the fuel supplier industry in Washington State. Don't miss this chance to let your voice be heard! There is no substitute for oil marketers telling their stories of how a proposed measure will impact their businesses and the customers they serve. It is our job as industry advocates to set the record straight by educating those who lack an understanding of how their actions may affect our industry.

Please do not delay in letting us know if you plan to attend "**Hill Day**" as we will be making meeting appointments for you that coincide with the legislative districts where your businesses are located and/or where you reside. For those arriving in Olympia on **Monday, February 11<sup>th</sup>**, you are invited to attend a legislative reception hosted by the Western States Petroleum Association (*location TBD*) beginning at 5:30 p.m.

Should you need assistance in arranging lodging in Olympia, please let us know and we will do our best to accommodate you.

**Don't delay! The 2019 legislative session is now upon us and the stakes cannot be higher this year!**
