

Summer Magazine 2021

Utah Update by John Hill

June 24 - UPMRA Summer Golf *at Bountiful Ridge Golf Club!*

On Thursday, June 24th, join UPMRA members and associates at Bountiful Ridge Golf Club in Bountiful, for a fun day of golf, networking and raising money for the UPMRA State PAC Fund.

We begin at 6:30 a.m. with a continental breakfast, range balls and goodie bags! The shotgun tee time is 7:30 a.m.

There will be several prize holes, including a 155-yard shot at winning \$10,000 with a hole-in-one! Fun new Cheater Cards will spice up play, and loads of prizes will be awarded during lunch, on the patio, after the golf.

Bring your State Legislator for free! Call John Hill at (801) 521-8340 to register, or go to UPMRA's home page <http://www.wpma.com/utah>, click on Summer Golf Classic and submit your registration form. **Hole sponsorships and prize donations are strongly encouraged.**

See you at Bountiful Ridge, where there is emerald green grass, challenging bunkers, sand traps and unexpected twists along the way. Hope to see you there!

State Legislature *Passes AST Legislation*

Utah's State Legislature passed SB 40, Petroleum Storage Tank Amendments this year, which requires by July 1, 2022, above ground tank owners to register ASTs that rest directly on the ground, or that have underground piping. AST tank owners will also need to have financial assurance in place by July 1, 2023.

During the session, UPMRA worked with the sponsor and DERR representatives, and we were successful in amending the legislation to allow ASTs on the PST Fund for financial assurance, without a full site assessment and soil samples. Therron Blatter with DEQ/DERR will be speaking at the 2021 UPMRA Convention in Park City (**Sept 16**) to explain the new AST requirements and take questions.

UPMRA Convention & Tradeshow

*at the Sheraton Park City Hotel – **September 15-17***

The 2021 UPMRA Convention and Trade Show begins Wednesday afternoon, September 15th, with a Board Meeting (all members are invited to attend), followed by an evening reception with appetizers.

On Thursday (Sept 16), we have a morning of education for our members, and have invited Utah's Lt. Governor Diedre Henderson to be our keynote speaker during lunch, which will be followed by a Live Auction to support the UPMRA State PAC Fund.

The Trade Show follows in the afternoon from 2:00 - 5:00 PM, with the evening open for supplier dinners and hospitality.

Golf is Friday morning at the challenging Mountain Dell Golf Course. Range balls and breakfast precede the 9:00 AM shotgun start. Prizes will be awarded after the round. Non-golfers can enjoy bowling and lunch at Park City's Jupiter Bowl. Go to UPMRA's home page <http://www.wpma.com/utah> for a Convention and Trade Show registration form.

Looking forward to being together again!
