Eighty-four bowlers enjoyed the ultimate in biz networking on the 12 VIP lanes at the Red Rock Casino and Resort. The high energy bowling environment provides all our participants a place to meet and greet industry leaders in a competitive but relaxed setting, as you can see by the pictures. Bowling for cash in the form of \$2 bills for strikes, spares and the impossible 7-10 split were top of mind for each bowler. The top individual bowler was Keith Stewart, Stewart Environmental, Las Vegas who took home \$100 in new

\$2 bills, presented by Christi Carano Case, NPM&CSA President.

The next morning, 80 golfers met at Bear's Best for our golf outing which was organized by Brett Bottenberg, Universal Engineering Sciences, Las Vegas. Perfect weather was the order of the day as 20 foursomes enjoyed several new ways to improve their score, including a roll of the dice on hole #2, and a pro who hit a long drive on number 11. These additions, plus closest to the pin and longest drive made
