IDAHO *Petroleum Marketers & Convenience Store Association Report*

Suzanne Budge
IPM&CSA Executive Director

Matt Berry takes the WPMA Gavel

Idaho has always been well represented at WPMA and this year is no exception. Matt Berry, Berry Oil, follows in the footsteps of his father Ron Berry, to continue the family legacy of leadership within our industry. The WPMA gavel was passed to Matt by Jeremy Bautista (Nevada) at the June WPMA board meeting in Salt Lake City. Berry Oil, a home-grown, multi-generational, family owned and operated company, has survived and thrived in this competitive environment. WPMA is fortunate indeed to welcome Matt to the top job on the WPMA board. Matt is well-qualified for the position, having served a double term as Idaho's president from 2019-2023 and helped the association weather the global pandemic and all the challenges that came with it.

IPM&CSA Ridgecrest PAC Golf Tournament a Big Success, Bolstering IPM&CSA Reserves for the 2024 Election Cycle

Idaho is Changing & Elections Matter More than Ever

Elections matter, as we have seen in the most recent election cycle in Idaho. As an industry, we have faced some tough political issues and been forced to expend significant resources to defend our interests. We are grateful and fortunate to have done so successfully and to have prevailed in recent legislative sessions. But we can never let our guard down, and as Idaho continues to grow, we should remain vigilant in defense of our members. IPM&CSA will continue to advocate for our industry. It will always be important for us to inform and support our local and statewide elected officials.

Thanks to you, we are working to refill our coffers so we can support candidates who understand and support our business.

Ridgecrest PAC Golf Outing a Huge Success (Again)

We are on a winning streak again in 2024 with a record-setting first of the season PAC golf outing.

April is a dicey time to schedule a big golf event in the Treasure Valley, but as usual, we dodged the bullets of rain, wind and hail, in picking the one day of the week when the weather was calm, reasonably warm, and sometimes even sunny. We bought out Ridgecrest for the day and hosted 136 golfers to fill the course, meeting our goal. Thanks to all our intrepid golfers for coming out to challenge the weather gods and enjoy a day on the links with friends. (Best day working ever, right?)

All in all, our April 30 tournament was a big hit, a successful PAC fundraiser, and a welcome start to the season. Another big THANK YOU goes to Tony Stone and the Jackson Energy/Capitol Distributing crew for their tremendous support in helping make our event a winner. And kudos to the excellent staff at Ridgecrest (as always)!
