UPMRA UPDATE

Successful 2024 Convention & Trade Show!

Utah's next Senator, John Curtis was our 2024 Convention Keynote Speaker, with about 115 attendees present at the lunch on October 2nd in St. George, Utah.

We had fun new activities in St. George, including a more exciting Jeep Safari and another HotShots

golf party Wednesday; both events were fun and well attended.

And the Horse Racing game was a big success during the trade show. The Convention Golf Tournament was at the beautiful Coral Canyon Golf Course on Thursday, October 3, 2024, which was in great shape.

2025 Convention & Trade Show Returning to Park City, Utah

After two years in St. George, the board decided to take the 2025 UPMRA Convention & Trade Show back to The Sheraton Park City Hotel. Save the dates: September 9-11, 2025, and meet us in Park City, Utah.

Several attendees commented that we should offer more fun activities, like we did in St. George, so watch for more extra-curricular activities in the Park City area, in addition to our convention golf tournament. We will play the Horse Racing game again on the trade show floor. You won't want to miss next year's convention!

UPMRA Day on Capitol Hill – Tuesday, February 11, 2025

Join UPMRA members and State Legislators at our annual "Day on Capitol Hill" held during the 2025 legislative session. This year, on Tuesday, February 11th, invite your key employees to attend a board meeting, from 10:30 – noon, when we will have lunch and meet with State legislators to discuss transportation, the PST Tank Fund, taxes, and other industry issues.

WPMAEXPO – February 18-20, 2025

The 2025 **WPMAEXPO** is moving to The MGM Grand in Las Vegas on February 18-20th. Speakers include: Donald Trump Jr. as Keynote, and Riley Gaines, as the Ladies' Luncheon speaker.

Please plan to attend the 2025 **WPMAEXPO**. Your attendance at the **WPMAEXPO** will benefit both you and

UPMRA, which gets additional revenue-sharing dollars based on the number of attendees from Utah.

And it all is happening in Las Vegas, where:
"What Happens Here,
Only Happens Here!"
