

WPMA President
Mark Lytle

Something I Will Never Forget ...

July is coming soon and my one-year term as President of WPMA will be coming to an end. As I look back and reflect on the last several months, it has been my honor to serve as President. It has been humbling, exciting, hard work, and extremely rewarding. I have met some of the most amazing people in our Industry and have enjoyed the conversations with all of you, learning about your business. The **WPMAEXPO** was an amazing event to be part of and I want to give a shout out and a special thank you to all our Sponsors, Vendors, and Attendees.

I want to take a moment and personally thank Gene, the CEO of WPMA and the entire staff - you are truly a pleasure to work with and certainly made my job as President much easier. Your dedication and hard work are truly what make all of us successful, and you should be very proud of yourselves and the example you set.

I have just returned from the Day on the Hill in Washington DC, where we met with our states' elected officials. PMAA Directors from the 48 states were in attendance, as well as the Board from PMAA, and I think it was a terrific event. I encourage everyone who is able to attend next year to please sign up. It's refreshing to see people working together in our US Capital on behalf of our Industry, in spite of all the craziness going on there. I always return home feeling like I made a difference. Our Industry will continue to have challenges, and the WPMA associations will continue to fight for the benefit of all of us in the Industry.

It's been a pleasure getting to know all of you - Melissa and I have made some lifelong friends that we will cherish forever. I will be leaving you in good hands; Dennis Campo will be the new President in July and I will be passing the baton over to him. I will still be around and looking forward to seeing all of you at the next State convention and the **WPMAEXPO** in Las Vegas in February.

Fondly,

Mark Lytle

2018-19 OFFICERS & DIRECTORS

WPMA EXECUTIVE COMMITTEE
