

*WPMA President  
Matt Berry*

## Keep Moving Our Industry Forward

*Normally, this letter marks* the time when the WPMA President passes the torch to the next lucky volunteer. However, this year, due to unique circumstances, your WPMA Executive Committee has agreed to continue serving in our current roles for one more year.

We're coming off a tremendous year of transition with our move to the MGM Grand, where we successfully hosted our Expo at an exciting new venue. It was a big step forward, and we're proud of what we accomplished together.

Looking ahead, we're excited to welcome you to another fun and productive year as we prepare for the **2026 WPMAEXPO**, taking place **February 17-19** once again at the MGM Grand in Las Vegas.

I want to personally thank my fellow Executive Committee members for stepping up during these unique circumstances. Their dedication and leadership ensure that we'll deliver another exceptional event for our members and partners.

Here's to continued success in your own businesses this year.  
***Together, we will keep moving our industry forward.***

Sincerely,

Matt Berry, WPMA President
