

Stop paying unnecessary ACA fines! It's not too late.

By enrolling in the MEC program* today, you gain immediate control over the Affordable Care Act (ACA) and its implications to your business and employees.

*The MEC program is endorsed by the **Montana Petroleum Marketers and Convenience Store Association** and is offered exclusively to its members.

\$69 / month.

For \$69 per month, eligible employees can be enrolled in a MEC (Minimum Essential Coverage) plan.

Avoid fines.

This MEC plan meets ACA requirements by offering preventative care to employees. As a result, employers avoid being fined \$2,160 (\$180 / month) per employee. And, employees avoid the individual mandate fine.

ACA compliance.

Included in the cost is RiskRT. This ACA compliance software tool calculates which employees are eligible for the MEC plan on a monthly basis. It also completes all necessary reporting requirements.

All applicable large employers (50+ FTE) are required to complete the tax forms for calendar year 2016 eligible employees.

Not in compliance? **We can help!**
