The Washington Oil Marketers Association (“WOMA”) has announced its designation of the exclusive publisher and advertising sales agent for the WOMA Online Buyers’ Guide (the “Guide”) — Overland Park, Kan.-based Strategic Value Media, a leading nationwide provider of print and digital media solutions to national, state and local trade and membership associations. WOMA is proud to provide its members with this exclusive, easily accessible, year-round, valuable resource that is expected to be first available in the Spring of 2017.

This WOMA Online Buyers Guide is an interactive marketplace that features updated and expanded company and product listings, in addition to other valuable information relating to the petroleum marketing industry. The *Guide* provides users with an efficient way to browse for goods and services and offers petroleum marketing suppliers and vendor companies exceptional visibility by showcasing their products and services to a targeted, industry-specific buyer group.

“This online buyers guide will be new, fresh and exciting for the Association Membership, and offer a new level of communication to its members. This comprehensive online Guide offers access to a vast network of industry suppliers and helps us stay connected long after the WOMA Convention is over,” said Lea Wilson, Executive Director of WOMA. “We’re pleased to offer such a needed resource, which will greatly assist industry professionals in making educated purchasing decisions throughout the year.”

The *Online Buyers Guide*, when completed, will be accessible through the WOMA website at www.waoil.org. We encourage you to take advantage of this exceptional opportunity to highlight your products and services. To learn more about advertising your products or services in the *Guide*, please email woma-advertise@svmmmedia.com. You can expect a call from this group regarding your complimentary listing provided by WOMA, as well as any options to expand you advertising opportunities. Please don’t hesitate to contact Lea Wilson, Executive Director at lea@waoil.org with any question.
